Dear Friends,

With the first half of the year gone, we can sit back and look at some of the great trophies hunted with White Lion Safaris over the last few months. It has been a good year so far since we have been able to take some excellent, quality trophies while having a wonderful time with our clients.

Again, we had great successes on our newest concession South of Kimberley, a very special place called Otterskloof. With the rest of the year to follow and expecting most of our clients in the second half of the year, we are looking forward to the success and wonderful times we will share with each and everyone of you.

Please enjoy some of the year's best photos with us:

Mike Bailey's well deserved buffalo bull after 6 days' of walking!

Strong contender for the WLS trophy of the year: a 32.5 inch Waterbuck bull.

Old Dagga bull shot at 7 yards!

Beautiful skin on a Burchell's Zebra.

Blesbuck duo! Two gold medals in 2 minutes....

Good Gemsbuck bull in the Kimberley area.

Good gold medal class Steenbuck

Nicholas with his Springbuck.

Steinar's 16 inch Blesbuck.

Hunters on the track of buffalo. One of our top trophy animals to hunt on our Otterskloof consession not far from Kimberley.

The Northern Cape is known as Gemsbuck country. Look at this beautiful bull.

Relaxing around the fireplace after a long days' hunting.

A view over the Van der Kloof dam. The Otterskloof concession borders on this big lake for just over 10 miles. It makes for spectacular views and excellent hunting. White Lion Safari's Main Area.

Until next time...

Whitelion Safaris would like to thank everyone who made these hunting trips a truly memorable experience. We hope that your time with us will not only be remembered through photographs and video's, but that you will create a living memory by coming to visit us again!
